

PRIME TASK SERVICES LLC

PROFESSIONAL UNARMED SECURITY GUARD SERVICES

TEXAS DPS CLASS B LICENSED | GENERAL LIABILITY INSURED | DALLAS-FORT WORTH

CAPABILITY STATEMENT

OWNER-MANAGED. ACCOUNTABLE. MEASURABLE.

Prime Task Services LLC provides scheduled, owner-managed unarmed security services for construction projects, warehouses and logistics facilities, industrial sites, multifamily communities, commercial properties and other business locations throughout Dallas-Fort Worth. We tailor fixed-site coverage to each client's access, patrol, reporting and communication needs.

SITE TYPES WE SUPPORT

CONSTRUCTION & DEVELOPMENT

Active sites, project access points, materials and equipment

WAREHOUSES & INDUSTRIAL

Logistics, distribution, manufacturing and storage facilities

COMMERCIAL & MULTIFAMILY

Office, retail, apartment and managed property locations

OTHER BUSINESS LOCATIONS

Dealerships, hotels, parking and fuel-related sites; others by scope

CORE COVERAGE

- Scheduled 8-12-hour shifts, day or night, typically for one or two unarmed guards per shift/site.
- After-hours and overnight presence; access, gate and visitor monitoring.
- Foot, site and perimeter patrol; observation of property, equipment and materials.
- Theft/vandalism deterrence, digital Daily Activity Reports and incident escalation.
- Vehicle patrol available where required and subject to contract-specific insurance.

THE PRIME TASK ADVANTAGE

OWNER-MANAGED OVERSIGHT

Direct owner involvement in coverage planning, oversight and client communication.

SITE-SPECIFIC POST ORDERS

Documented routes, access rules, priorities and escalation contacts.

DIGITAL SERVICE RECORDS

Daily Activity Reports, incident reports and photo/time/location records as scoped.

VERIFIED PATROL ACTIVITY

Configurable GPS/QR checkpoints and time-stamped records where included.

CONTROLLED CLIENT VISIBILITY

Configurable client access to relevant site activity and reporting.

ESCALATION & BACKUP PLANS

Agreed contact procedures and staffing contingencies aligned to assignment needs.

HOW WE START

Review site needs → Agree on shifts, post orders and reporting → Confirm staffing, equipment and insurance → Deploy.
